Good evening, Mr. French.

I'm wondering about the status of this request. A response was due yesterday.

Thank you,

Adrian Riskin

Good morning, Mr. French.

I'd like to take a look at all emails between anyone on the BLQ BID

staff or Board and anyone at the listed domains from January 1, 2017

through date of compliance.

1. hollywoodbid.org <http://hollywoodbid.org>

2. southpark.la <http://southpark.la>

3. downtownla.com <http://downtownla.com>

4. mediadistrict.org <http://mediadistrict.org>

5. labids.org <http://labids.org>

6. historiccore.bid <http://historiccore.bid>

7. urbanplaceconsulting.com <http://urbanplaceconsulting.com>

8. lacity.org <http://lacity.org>

9. lapd.online <http://lapd.online>

10. fashiondistrict.org <http://fashiondistrict.org>

11. ccala.org <http://ccala.org>

12. venicebeachbid.com <http://venicebeachbid.com>

13. devine-strategies.com <http://devine-strategies.com>

I also need to see all emails and their attachments in the same format

between anyone on the BID staff and anyone on the BID Board of Directors

for the same time range.

I need to see these emails and their attachments in their native formats

as required by CPRA at section 6253.9(a). For emails this means EML,

MBOX, or MSG. If you provide emails in one of these formats the

attachments will automatically be included in native format as well.

Finally, I would like to see agendas and minutes of the Board and all

committees for as far back as you hold them in electronic form. I need

to see these in native format as well.

Thanks so much for your help,

Adrian
